## **PRESS NOTE**

With great satisfaction and pleasure I wish to inform that Kerala Forest Development Corporation (KFDC) has achieved an all-time record Operating Profit of Rs. Six crore thirty four lakhs (Rs 6.34 crores) (Net cash Generated) for the financial year 2021-22.

The Corporation is progressing with strong successes and increased turnover. We are very happy to share that KFDC is emerging with a vibrant and strong future ahead.

KFDC thanks the Government for its support as well as all its staff and labour force. We also thank all our supporters and well-wishers. We hope to do even better in future and be able to cater to the wood and forest product needs of the society, provide sustainable eco-tourism programs as well as contribute towards protection of our precious Forests and Wildlife.

Thank you!

For Kerala Forest Development Corporation
